Open House

On July 13th, 2017 Dr. Steven R. Olmos, Dr. Douglas B. Smith, Dr. Farshid Ariz and the team at TMJ & Sleep Therapy Centre of San Diego opened the doors of our facilities to the medical and dental community of San Diego. We enjoyed meeting and speaking with everyone. The attendees enjoyed a tour of our facility, demo stations and learned more about the services we provide through the wonderful presentations given by Dr. Olmos and Dr. Ariz.

Our partnership with dentists in San Diego is critical to the delivery of quality health care for all patients. **As San Diego's only facility to receive accreditation from the American Academy of Dental Sleep Medicine (AADSM), it is our goal to provide excellent service to the community.**

We would welcome the opportunity to meet with you again!
